

ZULULAND CHAMBER OF COMMERCE & INDUSTRY

Welcome to the Chamber Movement

The Zululand Chamber of Commerce and Industry, is constantly reviewing its service offerings to ensure we remain relevant, and assist our members to grow their businesses. Many of our services are aligned to international chambers of commerce standards, but we are mindful to keep our offerings relevant to the local market.

The following services are available to members as a baseline offering. However, based on industry needs and events, we offer additional services and events throughout the year.

Mission

To protect and stimulate the local economy by providing a collective voice of business.

Vision

The voice of business in Zululand.

Values

Integrity
Collaboration
Accountability
Transparency
Results driven
Value for Membership
Business Excellence

Getting the message across

Serving You, Our Business Community

Workshops & Presentations

A variety of presentations and workshops are offered by the ZCCI to provide information and training to businesses.

Networking Opportunities

The ZCCI facilitates numerous events such as speed networking and breakfast networking sessions which provide opportunities for both informal and formal networking between businesses. These popular events are well attended and result in new business leads and the ability to extend your direct and indirect network.
